Vision

To create pharmacy professionals of finest quality to serve healthcare system of society.”

EDITORIAL BOARD

Editor In Chief
Mr. P. I. Nargatti
Co-Ordinator
Ms. A. S. Pawar

CONTRIBUTORS

Mr. Y. D. Dange
Mrs. J. A. Admuthe
Ms. A. C. Patil
Ms. S. C. Pawar
Ms. D. S. Yadav

Mission

M1 To serve and sustain an academic environment which is conducive to transform the students into skilled and knowledgeable pharmacy professionals.

M2 To encourage and train the students to meet need of healthcare services.

M3To develop communication and management skill of students to become successful entrepreneur.

M4 To help the students to inculcate the knowledge for betterment of society.

Program Educational Outcomes (PEO's)

On successful completion of D. Pharmacy program, the graduates shall able to -

- 1. Gain the knowledge and pursue higher education as per their potential.**
- 2. Based on their acquired knowledge and proven competence will serve as enterprising professional in any organization.**
- 3. Support the healthcare need by initiating startups and working in healthcare related services.**
- 4. Initiate and participate in public welfare activities.**

FROM THE DESK OF PRINCIPAL

Prof. Mr. P. I. Nargatti
Principal,
Annasaheb Dange College of D. Pharmacy, Ashta

It is with great pride and sincere privilege that I am writing this message to present "ASPIRE-2024" a non-technical magazine of our institute ADCDP, Ashta. Objective of Aspire magazine is to provide a platform for the young minds to showcase their hidden talents, creativity to enhance their skill and inculcate the scenes of responsibilities towards profession and society.

Aspire magazine is the glimpse of various achievements of academic and non-academic excellences achieved by the fraternity and students for the current academic year. It reflects the efforts that our fraternity and students has put in to enhance their skill, shoulder their responsibilities towards a better profession and society in large through various activities.

I sincerely appreciate all the contributors for their contributions in showcasing the hidden talents to uphold the name and fame of the profession. I wish all the luck for their future endeavors...

FROM EDITOR'S DESK

Ms. A. S. Pawar

Assistant professor

Annasaheb Dange College of D. Pharmacy, Ashta

Dear ADCDP Students and Readers; Welcome to Non-technical Magazine Aspire 2023-24. It gives me an immense pleasure in bringing out this non-technical magazine. This magazine includes the hidden potentials, new talents, extra-curricular activities, and events organized by the institute.

I would like to express our sincere thanks to Respected Principal Sir, Prof. Dr. P. I. Nargatti for giving us an opportunity and reliable guidance to Co-ordinate this magazine. I also thank our colleagues, students and staff for their co-operation, support, and encouragement during compilation of this non-technical magazine.

Once again, I would like to thank all the individuals who are, or have been, associated with the magazine and we look forward to many more of publishing the magazines in the future. Suggestions and Criticism for further improvement will be welcome.

I hope you all enjoy reading it as much as we do.

- ❖ *The Annasaheb Dange College of D Pharmacy, Ashta is one of the foremost pharmacy Institute in the Western Maharashtra, distinguished by its commitment to create competent pharmacy professionals who can efficiently contribute for the healthcare system of society and to the pharmacy profession. In order to provide higher education to the students of rural areas, ADCDP is established in 2016 by the Hon. Ex. Minister, Dr. Annasaheb Dange. Currently institute offers D. Pharmacy program (60 Intake) approved by Pharmacy Council of India, New Delhi, AICTE, New Delhi, Government of Maharashtra, DTE, Mumbai and affiliated Maharashtra State Board Of Technical Education, Mumbai. The D. Pharmacy program is accredited by National Board of Accreditation (NBA).*
- ❖ *ADCP's campus occupies 32 acres in the heart of the Ashta city, (District Sangli), where near about 500 undergraduate and 250 Diploma students receive a focused, industry-based education of Pharmacy. At Annasaheb Dange College of D Pharmacy, we certainly believe that we can prepare the next generation for future. So, we emphasize the 4 C's: COMPETENCE | CONFIDENCE | COMMITMENT | COMPASSION.*

To experience the true joy of learning come, join us and be a part of an institute!!

तरीही प्रेम करायचं...!

जर प्रेम काय असत, हे अनुभवायचं असेल
तर कधीतरी कोणावर तरी निस्वार्थी प्रेम करायचं,
चार गोपिका सोबत घेऊन फिरणारी असेल तर त्या लाजणाऱ्या, रुसणाऱ्या नकट्या राधेवर प्रेम
करायचं,

कोणाला तिच खट्याळ, खोडकर बोलणं आवडतं
तर कोणाला तिचं खळखळून, खळी पडणार हसणं आवडतं,
कोणाला तिचं मोहित, घायाळ करणारं डोळे आवडतात, तर कोणाला तिचं आकर्षित करणार
वरवरचं रंगरूप आवडतं,
पण ज्याला त्याचं किंवा तिचं निरागस मनं आवडत त्यालाच मात्र आयुष्यात खरं प्रेम अनुभवाय
मिळतं,

प्रेम कधी डोळ्यांनी व्यक्त होतं
तर कधी प्रेम निःशब्द राहून केलं जातं,
प्रेम कधी ओठांनी बोलून व्यक्त होतं
तर कधी प्रेमभावनांना शब्दांत मांडल जातं,

पण तुम्हीचं सांगा असं शब्दांत प्रेम व्यक्त करून
कधी अन् कोणाला प्रेम समजलं आहे का ?
जर असं एकनिष्ठ प्रेम शब्दांत व्यक्त करता आलं असत, तर त्या सीतामातेला अग्निपरीक्षा द्यावी
लागली असती का ?

तरीही प्रेम करायचं, तिच्याचंसाठी झुरायचं
रात्रंदिवस त्या स्वप्नांसाठी जगायचं,
कधी कधी तिचा आलेला नकारही पचवायला हवा
अन् कधी काळजावर त्यागाचा दगडही ठेवायला हवा,

कारण,
तिच्या नकारात सुद्धा प्रेम दडलेलं असतं
ते प्रेमात शोधता आलं पाहिजे,
शब्दांत सांगून कधीच प्रेम समजत नसतं
प्रेमासाठी फक्त अस्तित्व सिद्ध कराय पाहिजे,

निस्सीम, निस्वार्थी, एकनिष्ठ असं प्रेम करायचं
प्रेम करून, प्रेम पुरून उरेलं इतकं प्रेम करायचं,
अहो प्रेमाचं काय ? प्रेम तर कोणीही करतं पण
माप ओलांडायला सुद्धा तिलाच घरी आणायचं....!

माझा राजा

असा आमचा थोर राजा होऊनी गेला, प्र
त्येकाच्या मनात इतिहास पेरुनी गेला.

माझ्या राजाच्या आयुष्यात आली खूप
संकटे, पण तो घाबरला नाही,
येणाऱ्या संकटाना धैर्याने व शौनि
सामोरे गेला,
असा आमचा थोर राजा होऊनी गेला.

कधीही माझ्या राजानं हिंदू-मुसलमान
असा भेदभाव नाही केला,
जो येईल स्वराज्यात त्यास न्याय मिळवूनी
दिला,
असा आमचा थोर राजा होऊनी गेला.

माझ्या राजाच्या राज्यात अनेक मावळे
स्वराज्यासाठी या वीरांनी प्राण अर्पण
केले. त्यांच्या या पराक्रमाने इतिहास
कोरला गेला, असा आमचा थोर राजा होऊनी गेला.

अजूनही माझ्या राज्यचं नाव आहे
प्रत्येकाच्या हृदयात
त्या वैभवशाली इतिहास कोरला गेलाय
अवघ्या महाराष्ट्राच्या मना-मनात
जय शिवाजी, जय भवानी जयघोष
करू जना जनात

सपने

सपना भी तो
कितनी प्यारी शह है
कभी ले जाती कल्पना
की रंगीन दुनियां में तो
कभी हकीकत से भी
रूबरू कराती यह है....
एक एक कर खोलें आज
सपनों की जो तह है...
इक सपना देखा
और कुछ पाने की फिर
लालसा थी मन में पली
सपने को बना लक्ष्य अपना
भेदने को हर पल आगे चली
ऐसे कुछ सपने होते हैं
मंजिल की राह दिखाने को
पाकर मंजिल मेहनत से
मुकद्दर का शाह बनाने को
जीत के फिर इक सपना
इक सपना देखने फिर गली
खुशहाली में बसते
इक हंसते से परिवार का
झरना बहता जिसमें
सदा ही निश्छल प्यार का
ऐसे ही कुछ सपने
मोह के धागों से रखते
इकदूजे को हरदम बांधे
संकट में कदम मिलाते
खुशियों में मिलाते कांधे
जीकर ये सपना तो मिला
निचोड़ जीवन के सार का

बिना सिर पैर की बात लिए
कुछ सपने कभी कभी
ऐसे भी तो आ जाते हैं
इक अनोखी ही दुनियां से
जो मिलाने फिर ले जाते हैं
ये ही वो सपने हैं
जो मानसिक स्थिति को
हमारी हमें दर्शाते हैं
नींद में ही कभी हंसाते हैं
मौद खरी और भी कल्पनाते हैं
हर सपने का बोलबाला
कोई मिलाए कल्पनाओं से
किसी ने यथार्थ दिखा डाला
कुछ सपनों में जीते जागकर भी
कुछ ने दिमाग पर ही
लगा दिया सोच का जाला
सपनों पर अब फिर करते हैं
थोड़ा और सोच विचार
मत दो दुआ किसी को
हर सपना हो उसका साकार
हर सपने का सच होना भी
तो अच्छी बात नहीं
कुछ सपने सपने में ही
लगा देते विचारों पर ताला
मैंने भी तो सुबह उठकर
“शुक्र है भगवन सपना ही था”
कहकर कई बार सपने को टाला
कई बार सपने को टाला
भर लिया मन में फिर
हकीकतों के साथ का
उजियाला.....

Miss. Ayesha Mulla

कैसे बताऊँ मेरे लिए क्या हो तुम

लापसंद जिंदगी का
मनपसंद किस्सा हो तुम
चाहत, प्यार, मोहब्बत हो तुम
कैसे बनाऊँ मेरे लिए क्या हो तुम

बरबादी, बुराई, अच्छाई हो तुम
ज्यान तुम नशा हो तुम
कैसे बताऊँ मेरे लिए क्या हो तुम

तुम्हें देखतेही जो बदजाए वो हाडकनू हो तुम
तुम्हें देखतेही छा जानेवाली खामोशी हो तुम

मेरे लिए सबकुछ हो तुम
अफसोस यही है। की मेरी नहीं हो तुम
फिर भी
नापसंद जिंदगी का मनपसंद किस्सा हो तुम...

Green Technology

Green technology which is also called as sustainable technology takes impact on the environment. Recycling, renewable resources, safety disquiets, reducing and reusing are used in making of green technology. Green technology works with science and technology to protect the environment.as this technology helps in balancing the ecosystem it is referred to as clean technology. It is seen that nowadays companies consume more energy than what is needed which leads to pollution in the environment. Green technology which is also called as environmentally friendly Technology helps in making the technology without harming the nature. The aim of the green technology is to inhibit the natural resources and fresh the environment. Green technology uses the 3 mantras such as reduce, reuse, and recycle for the betterment of the environment. It reduces the emissions of toxic gases from the environment and it is used for saving the natural resources. The main purpose of green technology is to slow down the global warming and decrease the greenhouse gases (GHG). Green energy comes from sunlight, rain, tides, wind, and plants this energy is renewable

Goal of the Green Technology

- **Rethinking:** The goal of the rethinking is to think on changing the patterns of the production to reclaim or reuse the products.
- **Recycling:** It is the process of converting the waste materials into new ones. It is the waste discarding technique which can be used for saving the natural resources.
- **Renewing:** It is the process by which the renewable resources are used to save the natural resources. The things which can be used again and again are refurbished.
- **Reducing:** The waste which cannot be used again for eg: the electronics which are not in condition to be used are reduced.
- **Responsibility:** Green Technology takes the responsibility of maintaining the beauty of the nature by not harming the environment

Advantages of Green Technology

1. Does not emit anything harmful into the air
2. Can bring economic benefits to certain areas
3. Requires less maintenance so you don't have to shell out a lot of money to operate it
4. Renewable which means we will never run out
5. Can slow the effects of global warming by reducing CO2 emissions

Future Scope of green Technology

As we grasp before few years or before the execution of green technology there was lots of complications such as global warming, energy- shortages, pollution and we were facing many environmental issues. But since we have applied the green technology there is a change in the environment as well in the human life.

Now is up to us that how we look at green technology if we support the green IT then there would be a very moral change in the society. Green technology helps in blending the fossil fuels as well as the renewable energy from the environment and minimize the environmental influences. The green electricity is the freshest and the most valuable form of renewable energy. The green technology reliefs in reducing the emissions of toxic gases. It also chains in reducing the waste. It is assumed that both the electricity and hydrogen will become the future fuels as the distribution of electric and fuel cell vehicles is growing speedily. The green technology uses the renewable energy such as geo thermal energy, rain, wind, tides, algae and plants which decreases the global warming from the environment by saving the energy we can save the natural resources from getting harm by the toxic gases and global warming. Using the green products which are free from ozone depletion and toxic compounds can protect the nature

Challenges to green technology adoption

Generally, green technology is more expensive than the technology it aims to replace, because it accounts for the environmental costs that are externalized in many conventional production processes. Because it is relatively new, the associated development and training costs can make it even more costly in comparison with established technologies. The perceived benefits are also dependent on other factors such as supporting infrastructure, technology readiness, human resources capabilities and geographic elements. Hence, what could be a feasible green technology in one country or region may not be in another. Adoption and circulation of these technologies can be constrained by several other barriers. Some may be institutional, such as the lack of an appropriate regulatory framework; others may be technological, financial, political, cultural, or legal in nature

Conclusion

By using the green technology, we help to encourage an eco-friendly and domestic environment along with our welfares by dropping costs, wounding down of waste, and preserving energy. Green technology not only comprise in green computing but also emphases on the mechanisms used in the computers. Green technology correctly discourses the matter of global warming. Currently all the companies focus on the concept of green IT. Green technology tips to a lot of energy savings, decrease in production of CO₂ and CFC's which leads to environment defense. Green economy has a latent to realize sustainable development an eliminate poverty on an extraordinary scale.

Ms. Rutuja Patil
Second Year D. Pharm

Cyber Crimes

Cyber Crime is a term used to broadly describe criminal activity in which computers or computer networks are a tool, a target, or a place of criminal activity and include everything from electronic cracking to denial-of-service attacks. It is also used to include traditional crimes in which computers or networks are used to enable the illicit activity. Computer crime mainly consists of unauthorized access to computer systems data alteration, data destruction, theft of intellectual property. Cybercrime in the context of national security may involve hacking, traditional espionage, or information warfare and related activities.

Assuming someone's Identity, Sexual Harassment, Defamation, Spam and Phishing are some examples where computers are used to commit crime, whereas Viruses, Worms and Industrial Espionage, Software Piracy and Hacking are examples where computers become target of crime.

Cybercrime is a fast-growing field of scam. More and more offenders are misusing the pace, accessibility, and anonymity of the Internet to perform several fields of illegal movements that recognize no frontiers both physically or virtually, which create severe harm and profess very substantial warnings to sufferers worldwide. Cybercrime is a serious problem in our digital world, where criminals use computers and the internet to commit illegal activities. It is essential to learn about cybercrime to protect ourselves and stay safe online.

One common type of cybercrime is hacking. Hackers break into computer systems or networks without permission, stealing sensitive information like passwords, financial data, or personal details. They can also cause damage by spreading viruses or malware that can harm our devices.

Another form of cybercrime is online fraud. This occurs when criminals trick people into giving them money or personal information through fake emails, websites, or online scams. They might pretend to be someone they are not, like a bank or a trusted company, to deceive their victims.

Cyberbullying is another serious cybercrime that affects many people, especially children and teenagers. It involves using technology to harass, threaten, or embarrass others. Cyberbullies may spread rumors, send hurtful messages, or share embarrassing photos or videos online.

To protect ourselves from cybercrime, we must take steps to stay safe online. This includes using strong passwords, being cautious about sharing personal information online, and being skeptical of suspicious emails or messages. We should also treat others with kindness and respect online and speak up if we see someone being cyberbullied. Educating ourselves and others about cybercrime is crucial for creating a safer online environment for everyone. By understanding the risks and knowing how to protect ourselves, we can enjoy the benefits of technology while staying safe from cyber threats. Remember, staying safe online is everyone's responsibility.

NSS ACTIVITIES

- ❖ *National Service Scheme (NSS) was introduced in 1969 with the primary objective of developing the personality and character of the student youth through voluntary community service. 'Education through Service' is the purpose of the NSS.*
- ❖ *The ideological orientation of the NSS is inspired by the ideals of Mahatma Gandhi. Very appropriately, the motto of NSS is "NOT ME, BUT YOU" An NSS volunteer places the 'community' before 'self'*
- ❖ *Annasaheb Dange College of D Pharmacy has organized many such activities to develop the personality of students.*
 - *Tree plantation*
 - *Yoga day*
 - *Guest lectures*
 - *Blood Donation Camps*
 - *Health Checkup Camp*
 - *Donation to needy people*
- ❖ *Have a glimpse on the activities carried out by our students.*

CULTURAL EVENTS

FRESHERS DAY

- ❖ A celebration intended to extend a kind welcome to newcomers, enhance the feeling of community, and motivate juniors.
- ❖ A celebration not only to welcome the students but also to the new teaching faculty.
- ❖ The fresher's day was filled with excitement, joy, music, enthusiasm, laughter, and happiness. Have a glimpse on the photographs.

**Ms. Fresher and Mr. Fresher of
ADCDP**

GANESH CHATURTHI

- ❖ *One of the most auspicious Hindu festivals celebrated with lot of enthusiasm across the country, especially in Maharashtra, Gujarat, Odisha, Uttar Pradesh, Karnataka, and Andhra Pradesh.*
- ❖ *The festival is dedicated to Lord Ganesha, the son of Lord Shiva and Goddess Parvati and the god of knowledge, wealth, and new beginnings.*
- ❖ *The festival was celebrated in the institute with lot of enthusiasm among the students by organizing pooja to idol, different competitions like rangoli and drawing and donations to orphanage.*
- ❖ *Have a glimpse on some of the photographs.*

REPUBLIC DAY

- ❖ The parade theme of Republic Day 2k24 is 'Viksit Bharat' and 'Bharat – Loktantra ki Matraka', emphasising India's role as a nurturer of democracy.
- ❖ The event started with flag hoisting, Chief guest speech and Students expressed their patriotism by performing different activities on our country's culture.

SHIVAJI MAHARAJ JAYANTI

- ❖ *Chhatrapati Shivaji Maharaj Jayanti falls on February 19 each year. It marks the birth anniversary of Shivaji Maharaj, who was born on this day in the year 1630 in the hill fort of Shivneri, located near the city of Junnar in Pune district of Maharashtra.*
- ❖ *Have a glimpse on the celebrations our students have done.*

ALUMNI MEET

- ❖ *The Alumni association of Annasaheb Dange College of Pharmacy Ashta, Dist-Sangli organized the Alumni Meet on Tuesday, 20th February 2024, at ADCP Campus Ashta.*
- ❖ *Program initially started with Sanstha Geet written by our founder Chairman SDSS Honorable Dr. Annasaheb Dange(Appa), then Lamp lightening ceremony, followed by felicitating the chief guest Hon'ble Vice Chancellor Pravara University Dr. V.N.Magare, accompanied by Hon'ble Adv R.R.Dange Secretary SDSS, Hon'ble Prof. R.A. Kanai Executive Director SDSS Islampur, Prof. Dr. M.G.Saralaya, Principal ADCBP, Ashta, Prof. Dr. V. R. Patil, Director, ADCET Ashta, Mr. Y. D. Dange and other dignitaries on the dais.*
- ❖ *All the dignitaries addressed the students on their career prosperous and congratulated the students for successfully achieving their goals by felicitating.*
- ❖ *Coordinator of the event Ms. Shailaja P. Desai ended the program with her vote of thanks.*
- ❖ *Have a glimpse on the Alumni meet 2k24 photographs.*

Lamp Lightening ceremony

Felicitation of Dignitaries

Dignitaries motivating the students

Felicitation of the students for their achievements

ASPIRE 2K24

- ❖ *Aspire 2k24 was filled with more fun and laughter.*
- ❖ *Students has shown their enthusiasm in performances like singing, dancing, fashion shows, games, skits, and dramas.*
- ❖ *Best out of performances was awarded with prizes and all the students were encouraged to continue this zeal in their future by the respected principal Prof (Dr.) M.G. Saralaya, ADCBP and Mr. Y. D. Dange.*
- ❖ *Have a glimpse on the photographs of student's performances.*

MAHARASHTRA DAY

❖ *Have a glimpse on the celebration of Maharashtra state formation day.*

FAREWELL 2K24

- ❖ *An emotional event where the final year students get to say good bye to the institute to achieve future dreams further.*

SP  **RTS**

- ❖ *Annasaheb Dange College of D Pharmacy, Ashta has organized sports week in the month of February to improve the physical ability and skills among students.*
- ❖ *Competitions were held among all year students and total points were calculated in all the games to decide the General Championship 2024.*
- ❖ *Not only students but also all the faculty members have participated with same enthusiasm in all the sports organized.*
