Vision

- "To create Pharmacy professional of finest quality to serve healthcare system of society,"

Mission

- To serve and sustain an academic environment which is conducive to transform the students into skilled and knowledgeable Pharmacy professionals.
- To encourage and train the students to meet need of healthcare services,
- To develop communication and management skill of students to become successful entrepreneur.
- To help the students to inculcate the knowledge for betterment of society.

ADCP Philosophy of Education

- At this unique institution, we refine the academic skills, fine-tune the aesthetic senses and work towards building a holistic culture that values the individuality of each student, helping them realize their innate potential.
- Research-based learning is the norm at our institute, where each student is guided through an individualised work plan in consonance with his/her potential, thereby providing a complete learning experience.
- We support and nurture innovative and imaginative minds in their educational journey to explore and revel in the joy of learning.
- Institute is well equipped with all the latest sophisticated instruments, the ambiance of a world-class green campus, and the best Teachers and Researchers who are working round the clock for student welfare and care.
- Teamwork is the hallmark of ADCP, we believe, through collaborative effort, we can achieve more and benefit our students who are future professional leaders.
- To experience the true joy of Learning come join us and be a part of an institute.

Expert Human Resources

- To make this model functional at our end, we have appointed high-paid, well experienced & highly-trained team of faculty members.
- Faculty members are not only specialists in their subject area but also they are well-versed with requisite pedagogy, planning ability & are fully tuned to the specific learning needs of individual student.

Infrastructure, Facilities & Services
